THE INSTITUTION OF INCORPORATED ENGINEERS, SRI LANKA

**Invitation to Participate Industrial Exhibition at BMICH Colombo,
Sri Lanka
March 21st, 22nd, 23rd 20 25**

It is a privilege to invite you to participate in INCO 2025 Industrial Exhibition, which is being held for the 19th successive year and is organized by the Institution of Incorporated Engineers, Sri Lanka.

The Institution of Incorporated Engineers, Sri Lanka (established in 1977) was incorporated by an act of Parliament of the Democratic Socialist Republic of Sri Lanka. IIESL has a wide opening for personnel of all levels in Engineering Technology. Thousands of members hold responsible positions in almost every development program in Sri Lanka and abroad. The main aim of this exhibition is to provide a platform for industrialists and manufacturers in the engineering and technical fields to showcase their products and services to potential customers in Sri Lanka and explore new market potentials and buyers alike.

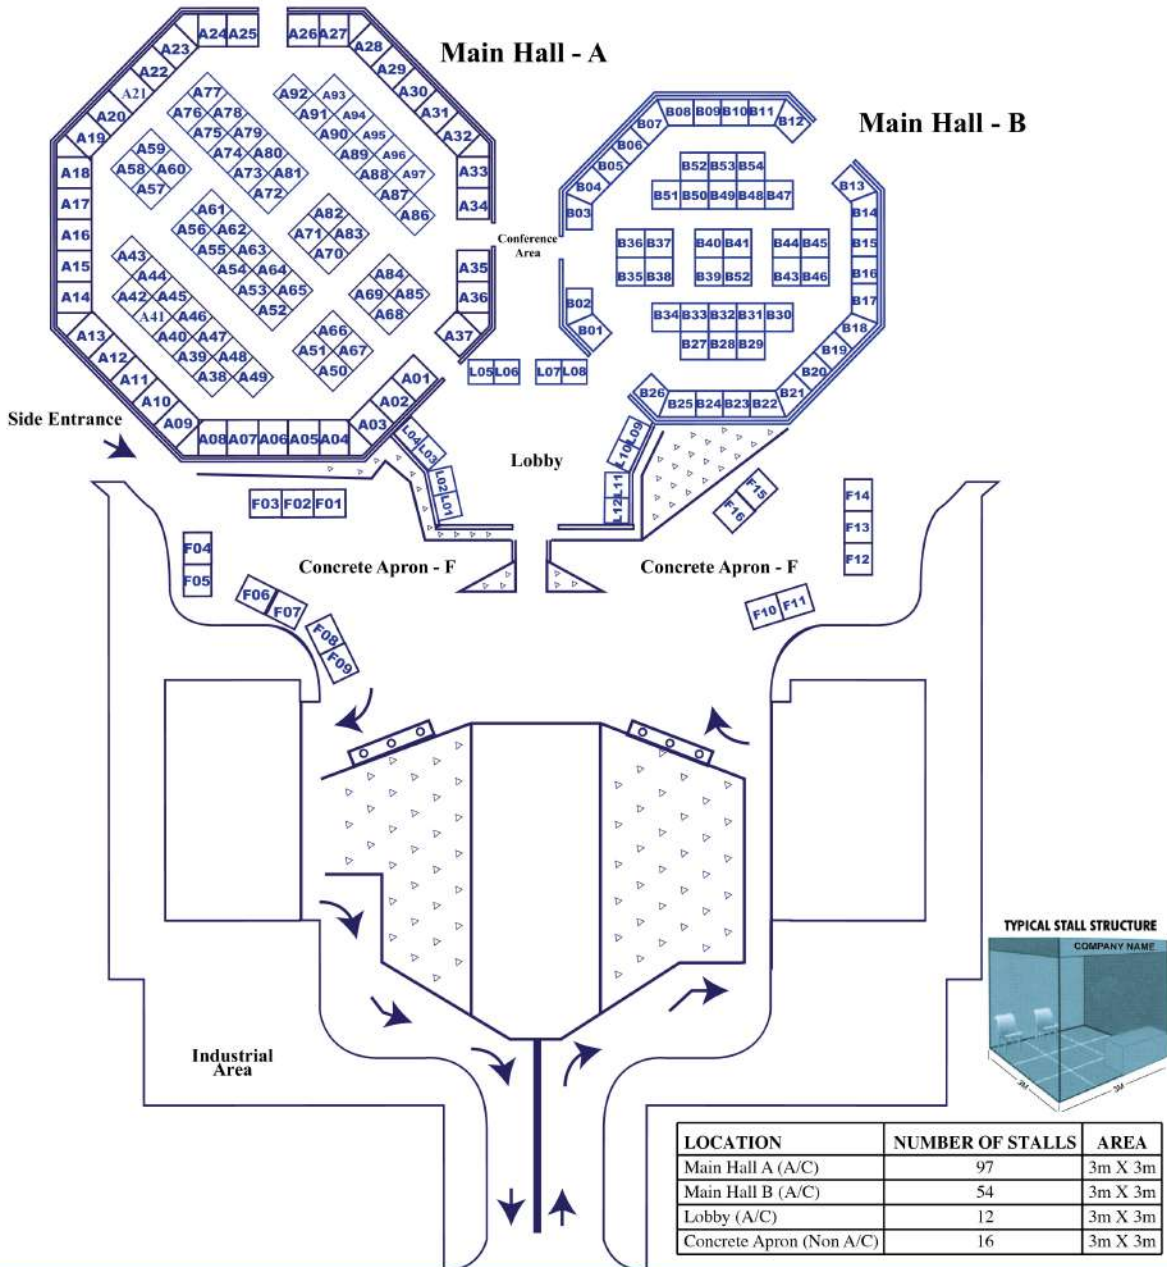

This event will be held at the BMICH Exhibition Center in Colombo, Sri Lanka from 21st to 23rd March 2025, from 10:00 AM to 8:00 PM each day. The stall layout and rates are given in page 3 and 4.

For further information and reservations, you may contact us on,
Hotline : **+94 777 741 073**
Email : **thilakinco@gmail.com**
Web : **www.inco.lk**

Kindly note that the reservations require a 50% advance payment.

We look forward to your participation and are pleased to meet you at the INCO 2025 Exhibition.

INCO 2024 Highlights

Why are we inviting people to participate?

Institution of Incorporated Engineers, Sri Lanka (IIESL) as a professional body will initiate action to promote the local industry. This could be achieved only by bringing participants under one roof to facilitate product marketing. IIESL is the only professional institution representing Engineering Diplomats actively involved with operation, maintenance, construction, and project management in eleven different fields of Engineering Technology namely Chemical Engineering, Civil Engineering, Electrical Engineering, Electronic & Telecommunication Engineering, Mechanical Engineering, Marine Engineering, Nautical Studies, Polymer Engineering, Textile & Clothing Engineering, Information Technology, and Agriculture Engineering required by the country.

With our members' active participation, we could

- * Build participants' image in Sri Lanka and to tap its immense market
- * Display, demonstrate, and sell participants' products, services, machinery, innovative skills, technology, expertise, etc.
- * Establish new business contacts and corroborate with new partners in Sri Lanka
- * Find potential partners for decentralizing of participants' activities

Why people should participate and Exhibit?

We strongly believe that this is

- * A CUSTOMER-FOCUSED Exhibition which attracts higher attendance in numbers from every corner of the country due to an aggressive publicity campaign
- * an Unique opportunity for participants to explain the Products they offer to visitors, an opportunity to improve their products
- * a good forum to exhibit the latest Products & Equipment necessary for the country's development process.
- * an ideal opportunity to gain access to the latest industry & market information
- * an unique forum to create better relationships with existing customers & also to find new ones
- * get exposure to local, regional & global markets
- * create a network with industry players from different sectors

Exhibitors' Profile

We intend to promote the following areas but not necessarily limited to them

- * Construction Equipment & Construction Technologies
- * Solar & Thermal Products
- * IT Equipment
- * Electric / Electronic
- * Cement & Cement Based Products
- * Adhesives & Waterproofing & Sealants
- * Pipes & Fittings
- * Air Conditioning
- * Doors & Windows
- * Plywood & Fiber Products
- * Furniture & Fittings
- * Roofing Material
- * Office Automation
- * Power Generation
- * Electrical Switch Gear & Equipment
- * Water & Drainage Systems
- * Building Materials

Vision of INCO

To be the most customers focused Industrial Exhibition in South Asia

Mission of INCO

To create the largest and the most diverse assembly of industrial sectors and to make it the fertile ground for players here and abroad

To innovatively display and actively promote appropriate and affordable state-of-the-art-technology and services that would play a vital role in the development of the country

To nurture an environment that would be conducive for healthy interaction and networking amongst all the stakeholders
